

NEWS OF THE MINISTRY

Stephan & Nancy Tessier

We can only praise the Lord for the summer which was rich in the number of campers and in blessings. Like last year, the attendance remained at a record level. The camp is therefore in an enviable

position with a level of occupation at 90%. Generally speaking, the campers enjoyed all aspects of the camp this summer. The strong points were the improvement of the facilities (dining room, chapel, beach, new waterslide, new classes and nursery), the quality of the teaching and the organization and the good atmosphere which contributed to a feeling of security, calm and being able to meet God.

Stéphan began the summer with a certain fatigue because of the construction project which continued throughout the winter and into the spring season. However, he was able to see God's grace in the quality of the excellent staff and the experienced camp directors. The camps unfolded almost perfectly and thus, relieved the sources of stress. Nancy took on the responsibility of directing the clean-up team this summer. There were many challenges because this was a new experience however God provided a mature group of volunteers on which she could rely for the work to get done.

Please continue to pray for the weekend retreats this fall. Our desire is that the campers be blessed by our service as they take advantage of our fall program.

PERSONAL NEWS

At the beginning of the summer we got the good news that Allycia will be staying with us. The adoption process is not completed but to know that Allycia will stay with us has filled us with joy and we are very thankful to the Lord. Please continue to pray for us as we seek to reconcile our work schedule and our family life. This is still new for us and implies new challenges because the needs of the camp are demanding.

We want to thank all those who contributed to our support by giving clothes, toys and children's equipment. They were all very useful for Allycia.

Thank you for your continued prayer and we wish you a lovely autumn.

Yours in Christ,

Stephan et Nancy Tessier

“Be joyful because you have hope. Be patient when trouble comes and pray at all times.”

- Romans 12:12
